$131,300.00 Goal Set For Victory War Loan Drive

With $131,300.00 as its goal, Daly City is all set to put the Victory War Loan drive over the top.

Of this figure the sum of $85,500 has been allocated to the bonds in Series "E."

Members of Old Glory Post and the Auxiliary of No. 2044 VFW are manning the War Bond booth in the Daly City theatre during opening week, October 29 to November 4 inclusive. Other civic organizations will staff the booth at various times during the drive.

Walter J. Lehigh is acting war finance chairman for Daly City.

The committee for the drive strongly urges that we reach our quota as quickly as possible, in order that our boys still serving overseas may be brought home soon.

Mrs. Buttle, president of the Girl Scout Leaders association, is making arrangements for the Girl Scouts to staff the Victory Loan booth during the second week of the drive, November 5 to November 11 inclusive.

Health Center and Hospital Service Discussion Grows

Declaring that Daly City or vicinity would be a good location for a health center, Dr. Charles Gans this week modified that statement by saying that the location could best be determined by existing needs.

Dr. Gans, whose attitude on the present centralization of county ambulance service at Community hospital is well known, said that the proposed health centers would include first aid stations and would house an ambulance and its crew. This decentralization would thereby accommodate the population growth in the county, and could be made to fit all existing needs, he said.

Dr. Gans has fought the present ambulance system since it was advocated by County Executive Frederick Peterson, who recently announced that an emergency hospital at San Bruno is on San Mateo county's post-war list, and that it may possibly be constructed in co-operation with San Francisco.

At the meeting of the San Bruno city council last week, the group went on record urging the county to establish an emergency hospital unit, complete with ambulance service, in or near the community.

The council authorized City Clerk Ralph Woodman, San Bruno, to request installation of the service from the County Board of Supervisors and the County Health department, instructing him to show the "real need under existing conditions."

Holy Angels Church Plans Bazaar For November 17th

Parishioners of Holy Angels church, of Colma and Daly City, are preparing a "Fair-Bazaar and Entertainment" for the benefit of their church on November 17, starting at 8 p. m. in Colombo hall, Colma.

Various booths, under the supervision of the several societies of the parish, will include the country store, fancy work, fish pond, and other games.

The appointed committees are hard at work for the success of the event; the net income from which will be added to the building fund for the proposed new church in Colma. The plans are now ready to be submitted to the contractors.

Entertainment will feature a group of songs by the young people of the parish, and a one-act play to be presented by the young ladies. The general public is cordially invited to attend.

NEW VICTORY BOND WILL HONOR FDR

ROOSEVELT HONORED—The Treasury Department's Victory Loan, starting October 29, will offer a new $200 Series E bond, especially printed to honor the memory of the late President. The bond carries a photograph of Mr. Roosevelt and an excerpt from his speech made at the time America went to war: "Every single man, woman and child is a partner in the most tremendous undertaking of our American history." The bond, with a maturity value of $200, will sell for $150.

McGRAW PHARMACY LOST WINDOW IN HEAVY WIND STORM

A heavy guest of wind at approximately 11:30 Monday morning shattered the plate glass window at the McGraw Pharmacy, 6300 Mission street.

There were no injuries, and only slight property damage was incurred.

Service Men Are Honored Guests At Spaghetti Dinner

Sailors and soldiers, numbering 142 in all, were honored guests at a highly successful spaghetti dinner which was served at Masonic hall, 17 Hillcrest drive, on the evening of October 26.

Chefs for the occasion were Mrs. Mary Conti and Mrs. Catherine McKeown, whose cooking is famous in the community. The Red Cross Sewing unit served. Members of that group included Mrs. Mary Crane, Mrs. Helen Grieg, Mrs. Anne Nolte, Mrs. Clara Poket, Mrs. Mildred McGeein, and Mrs. Catherine McKeown.

Decorations for the tables, consisting of boats made of paper and other clever nautical items, were made by Mrs. Mildred Ventura.

Mr. Greig served the cause by extending invitations to all service men with whom he came in contact. Cash donations, cakes, cream and other items were received from many interested sources, and were greatly appreciated by the ladies whose hours of hard work were so successfully rewarded by the expressed thanks of the service personnel who attended.

Others who contributed largely to the evening's pleasure were Miss Gallegher, Henrietta Sable, Bessie Attenisia, Josephine Georgi, Jean Dendler, Bernice Martin, W. J. Griffin, and Eugene Keagle.

Teachers Tea Jefferson High PTA November 8

War Chest Drive Extended To Nov. 15

The California War Chest committee has announced that the victory campaign will be extended to November 15, in order to give various communities more time in which to raise their quotas. To date only 63.5 per cent of the state-wide quota of $22,089,795 has been raised.

According to Ralph T. Fisher, of Oakland, chairman of the drive, "volunteer workers in communities throughout the state have thus far done a fine job, working against a scheduled period of four weeks as compared with seven weeks last year. We are confident that the people of California are ready and willing to meet their obligations to the members of the armed services overseas, the victims of war abroad, and the needy and neglected in our own communities."

Drunk Driver Pays $50 Fine

During the week of October 26, the following persons were cited in traffic court:

Arthur Anderson, 626 Mayfair, South San Francisco, drunk driving, fined $50.

Guidetto Grassi, speeding, $7.50; Carl Fritschen, Victor Cimino, Martin Shavis, failure to observe signals, each $2.50; George Griepes, unattended vehicle, $5; D. Fomin, parking in prohibited area, $2.50; George Stasko, George Sawyer, Olaf Johnson, and Mary Janssen, speeding, each $5.

No Gambling In County According To Sheriff and D. A.

Gilbert D. Ferrell, district attorney, said this week that he had heard of no gambling in San Mateo county. Earlier Sheriff James J. McGrath and Chief of Police Collins, of Redwood City, were of the same opinion. However, McGrath refused to make a definite statement.

Ferrell claims that his department is too small, and much too busy to effectively investigate claims of gambling, and that as far as "policy" is concerned, investigations are left up to the police officials. Ferrell did not say that his department was not making an investigation, nor did he promise that such an investigation would be made in the future.

If gambling does exist in the county, the only official with any evidence to that effect would seem to be Glenn O. Smallcomb, grand jury foreman.

Local Draft Board Issues Call For New Inductees

Mrs. Isabelle Flynn, chief clerk of Daly City draft board No. 103, announced this week that ten men will be called for induction on November 13. These men must be qualified for general military service. At the same time, two men will be called for limited service only.

Brown Refuses Civil Service Rate For Dr. Charles Gans

Qualifying his recent refusal to serve on a proposed committee to rate Dr. Charles G. Gans for civil service, Dr. Walter H. Brown, acting dean of the University of California School of Public Health, made the following statement:

"I do not feel that the proposed procedure would be an effective method of securing the result desired by the board of supervisors; . . . the performance rating of an individual health officer can be arrived at indirectly only by the effectiveness of the program as judged by the results obtained on a rating scale now provided through the committee on administrative medicine of the American Public Health association."

In this, Dr. Brown concurs with Dr. Wilton Halverson, state director of public health and welfare, who recently stated that he could only rate the department, not the individual.

Edwin Tretheway Released On Bail

Edwin Tretheway, 120 Moltke street, Daly City, who was arrested by Officer Petrocchi on a misdemeanor warrant issued by the San Francisco police department on October 31, has been released on $250 cash bail. His case is pending.

Held To Answer To Superior Court For Auto Theft

Entering a plea of not guilty before Municipal Judge Harry J. Neubarth, Mrs. Mildred Irene Brown, 22, Daly City housewife and mother of two children, was held to answer to superior court on an auto theft charge on Tuesday of this week.

San Francisco police found her in the car at Third and Evans streets on Saturday night, October 27. She claimed she did not know the car was stolen, that she believed it belonged to a sailor, Lee Applejack, 22, a friend from her school days in Muskogee, Oklahoma, where she said her father is a minister. She stated that the sailor informed her he had bought the car.

The car was reported stolen on October 15, the date of allegded purchase by the seaman, from McAllister and Laguna streets. The owner is said to be George A. Lehdo, a carpenter, also of Daly City. Police reported in finding of a kit of tools belonging to Lehdo, and usually carried in the car, in the woman's home.

Lehdo complained that a fender on the car had been damaged to the extent of $50.

Mrs. Brown, who says that the sailor has since gone to Pearl Harbor, was held in city prison in bail of $1,000 cash or $2,000 bond. Her attorney is Milton Stanski.

Grace Presbyterian Plans Special Event

Grace Presbyterian church, located on the corner of Evergreen avenue and Hanover street, extends a cordial invitation to all who are interested to attend a showing of the motion picture, "The Making of the Bible" as presented by the American Bible society, on November 4 at 7 p. m.

It was a pleasure to have a large number of Girl Scouts and their leaders present at the service last Sunday. Among those participating were Misses Patricia Austring and Dianne Hale.

Mrs. Dorothy Coulthard and Mrs. Lois Adami wish to express their appreciation of the increased enrollment in the 11 o'clock Beginners Sunday school class, which affords the parents an opportunity to attend the worship service at that time.

If you have no church home, Grace Presbyterian church invites you to attend any or all of its services.

Call for Equality

It took American women nearly three-quarters of a century of constant effort to gain their "liberation" from their ancient status which denied them the right to vote or to hold an elective office. Although they recently celebrated the 25th anniversary of the "liberation" they have yet to attain full equality with the male sex in eyes of the law.

In only nine of the 48 states—and most of them are Western States—do women enjoy community property rights. California, Nevada, Washington, Arizona, Idaho, New Mexico, Texas, Oklahoma and Louisiana do not agree with Oliver Wendell Holmes who said, "Husband and wife are one and that one the husband." But apparently the other 39 states do, since married women still live under the handicap of archaic legislation which seriously restricts their property rights.

Today this vast majority of American women stand in about the same position regarding community property as they did 30 years ago in regard to the ballot. They are, however, being backed in their fight for full equality—a fight which is soon expected to reach the U. S. Supreme Court—by such leading legal figures as California's Attorney General Robert W. Kenny. Recently Mr. Kenny declared that in all fairness the right of women to share equally in the ownership of property with their husbands should be legally recognized throughout the nation.

Certainly it is high time that this inequality between the two sexes be done away with in its entirety.

Crowded Highways

The fact that the traffic saturation point of the San Francisco-Oakland bridge has virtually been reached with more than 70,000 cars daily passing over it, is one of the many indications of the numerous increase in the number of vehicles using the roads since the war ended.

With more cars on the highway there follows invariably a slow down in the traffic, and it is interesting to note that delays which are sometimes blamed on the commercial vehicles are often caused by private cars which move along at a casual pace and refuse to heed the signalling horns from others desiring to pass.

Of course, the need for wider and better roads is daily becoming more apparent. But it will take a year or two before much of this work can be done on a large scale. Men and materials are still scarce.

Until, then, let us be patient.

Trust Busting—Jap Style

The "voluntary" dissolution of the huge Japanese monopolies which have long dominated the economic life of that nation is not very convincing. Quite obviously this move was made only because General MacArthur has ordered a drastic revision of Zaibatsu. And it is equally obvious that the Jap industrialists hope by this move to escape the complete dismantling of their economic empire.

Up to this point the Japanese have accepted virtually all MacArthur's orders with Oriental calm and politeness. But now the shoe is really beginning to pinch. If Zaibatsu is effectively broken up it will do more to weaken Japan's future potentiality as a military power than most anything else could. And the Japs know it. So now they're trying to squirm around this order.

One Japanese newspaper, taking advantage of its new freedom to speak out, dubs the voluntary dissolution as a "mere reorganization in disguise."

No matter how many surface alterations are affected in Japan that nation would still be able to "bounce back" as a threat to the peace once we withdrew. The real need then is for deep underlying changes. The breaking up of Zaibatsu is one of them. So we had better see that it is carried out completely.

12 Million Fewer

Twelve million Americans in the low income bracket will say goodbye to the Income Tax Collector after they have filed their final statements for 1945. Congress has "freed" them under the provisions of the new tax bill. According to Washington reports a married couple with no children will have their first $1,000 of income exempt from tax and a couple with two children will be exempt on their first $2500. The 36 million taxpayers remaining will have their payments to Uncle Sam cut by about 18 per cent of this year's tax bill. The $5 annual automobile tax has been cut out and the Social Security payroll tax frozen at one per cent each for employer and employee for another year.

Ready For Girl Scout Week

Helen Wicklund, Girl Scout poster model, and Mrs. Paul Rittenhouse, national director of the Girl Scout organization, place the first of the new posters prepared for Girl Scout Week on the wall at national headquarters, New York City.

Girl Scout Week, opening October 28, and continuing through November 3, will be celebrated by more than a million members of the organization in all sections of the country. It will be the occasion for setting in motion the two-year plan of work devised by the Girl Scouts themselves to help them develop more knowledge, understanding and opportunity to become active citizens of the world. This aim is symbolized in the poster and in the theme of Girl Scout Week —"Citizenship in action around the world."

Girl Scout Week is observed annually to mark the birthday, on October 31, of Girl Scouting's founder, the late Juliette Low. Girl Scout Sunday, which opens the seven day celebration, is marked by special church services. Each of the following days of Girl Scout Week is dedicated to one special phase of the Girl Scout program, such as homemaking, citizenship, health and safety, international friendship, arts and crafts and out-of-doors activity. This year the seven service days, as they are called, will be keyed in to the all-over citizenship theme of both the week's celebration and the special program of citizenship training to be inaugurated at that time.

Five Installed at Girl Scout Leaders Social Function

On Thursday, October 18, an installation dinner was held for the retiring and incoming officers of the Girl Scout Leaders association.

Mrs. Muriele Pabst, past president, was presented with a beautiful corsage, a miniature Girl Scout pin, and two charms for her bracelet.

Mrs. Pabst gave a detailed final report on the girls' many public activities, including the bond drives, PTA and Red Cross affairs. She also spoke of the summer and day camps which were highlights of the vacation activities. She expressed sincere thanks to all who have assisted her during the past year.

Five new leaders were welcomed: Mrs. Miller, who is helping Mrs. Heagney; Mrs. Rowder, who has taken over Mrs. Pool's Brownie troop so that Mrs. Pool might devote her time to the new Troop 14; Mrs. Petty and Mrs. Rolff, who are assisting Mrs. Banfield; and Mrs. A. Smith, who has assumed leadership of Mrs. J. Calvin's Troop No. 1.

Mrs. Snarr, of San Bruno, is to be present at the next leaders meeting, to give suggestions and assist the new leaders. This meeting is scheduled for 8 o'clock on the evening of November 26, at Theta Avenue Scout house, and all those desiring to become leaders are asked to attend and hear Mrs. Snarr.

Women of Moose Plan Annual Bazaar

Mrs. Marie Stella, senior regent, announced this week that the Women of the Moose will hold their annual bazaar on November 8 in the Odd Fellows hall at 26 Seventh street.

There will be games and entertainment, and a nice assortment of handmade gift items to choose from for the coming holidays. Gladys Sisco and Margie Baker will be in charge of the fancy-work booth; Marie Stella will sell delicious home made candies; Claire Kenny, Edith Pedranti, Irene Iibarry, Vivian Laske, Eva Haverlock, and Isabella Crumey will take charge of the other games and booths for the event.

Miss Donna Leslie, 1167 Hanover street, was recently initiated into the Women of the Moose. Miss Leslie, a discharged Wave, is leaving soon for a month's visit with friends in Cleveland, Ohio.

Members and friends are reminded of the whist games on November 1 and December 6, at 7 Amazon avenue.

NOTES FROM JEFF HI

By Hazel Hendrickson

Indians and Bulldogs Clash

San Jose's Bulldogs soundly trounced a much lighter Jeff eleven, on San Jose's home field, Friday, October 26.

A new thrill for Jefferson fans was Jeff's often repeated gains through off tackle plays. Until now Jeff's passing has been its only offensive threat. Bob Grimes picked up plenty of yardage, packing the pigskin behind the blocking of Ed Milano, John Janssen, Don Rutherford and Richard Morgan.

Jefferson's only touchdown was a long beautiful pass to Tromborg, on the five yard line, who snagged the ball and roared over the goal line. A spirited attempt to score during the fourth quarter was stopped by San Jose, after a long pass was called back by the referee.

Starting lineup for Jeff was: Mossie, L. E.; Milano, L. T.; Munday, L. G.; Morgan, C.; Rutherford, R. G.; Janssen, R. T.; Tromborg, R. E.; Pederso, Q. B.; Plyer, L. H.; Seiler. R. H.: Grimes, F. B.

Don Rutherford was also game captain.

Final score was 26-7.

Student Body Outgrows Strong Box

Since school started this term, the student body has been aware that their fund has been slowly dwindling away through the past term, but now overnight the student body fund has outgrown its strong box.

At the last executive meeting, the entertainment committee took much needed money out of their treasury to build this fund up; to reimburse for assemblies paid for last year. Also the school store, Trading Post, donated money made last term to pay for the basketball jackets. With this generosity of the entertainment committee and the trading post, the strong box has increased noticeably.

The executive board passed their approval for holding a contest in the writing of a new fight song and a new yell by the students of Jefferson. The words can be written to a popular march or just the words can be written, and some one else will write the music to it.

Prizes for the winners in the song contest will be given a pass to all school dances given throughout this year. Also a prize will be given for the best school yell entered in this contest.

Teen Age Has First Anniversary

The Daly City Teen Age Canteen celebrated its first anniversary by holding open house to all teen agers. Free "cokes," sandwiches, cake and potato chips were enjoyed by all. The largest crowd since last year's opening turned out.

Thanks go to all mothers who have consistently stayed at the canteen week after week.

DoDn't forget the canteen is open every Friday, 7:30 to 10:30. Make a date to be there every time and join in on the fun.

Campus Fashions

Loafers and saddles are still popular. This year, loafers have been dipped for that "wine shine" look. A few still insist on wearing dirty saddles, or are they waiting for new Spaldings to keep clean?

For dances the trend seems to be for dresses, or maybe it's because those new sleeves and shoulder pads give that slim waist look.

Boys' ski and V-neck sweaters are still tops for school wear. Short sleeved sloppy Joes are just the thing now-a-days.

A certain group of boys are alternating between Levis and cords. These cords have a sort of bell bottom cut look, and each fellow has his name written in bright red yarn over a pocket.

Entertainment Committee Admits Three New Members

To fill vacancies left by graduating seniors last year, the entertainment committee put 11 prospective members on trial for the first school dance. At the first meeting after the dance, it was voted who would be on the committee. The following three were chosen: Frances Cotter, Betty Pistohl and John Rivera. Frances Crossley, Clarence de Lannoy, Esther Galindo, Earl Odell, Jack Ferro, Mary Shackelford, Shirley MeLin, Angelque Sarris are on trial until after the next dance when it will be definitely decided whether they will be on the entertainment committee.

The returning members of last year's committee are Alice D'Isep, chairman Hazel Hendrickson, sec.-Treas.; Virginia Bhend, Eva Claus, Roberta Marable, Colleen Robin, Louise Ross and Harold Tikkanen.

JUHS alumni who wish to attend the high school dance, November 16, please notify the high school office or members of the entertainment committee so that your name may be placed on the guest list. No one will be admitted whose name is not on the guest list.

Preliminaries for Ninth Annual Student Speakers' Contest

Members of Mr. Hansen's public speaking class are now preparing for the preliminaries of the Ninth Annual Student Speakers' contest. "My Responsibility as a Young American to Lasting World Peace" is the topic for 1945. Sponsors of the contest are the Lions Clubs of California and Nevada. The purpose of the contest is to provide an opportunity for competitive public speaking among students. Subjects chosen are of vital interest to the contestants and to the American people as a whole.

These are only the preliminaries of the contest for which Mr. Hansen's 21 students are preparing. The contest prize will go to the winner of the four district contests in the district conference. The winner will receive a scholarship of $350, good in any accredited junior college or university.

'Hats Off' To Those Who Attended 'Kick Off'

Yes, we Jeffersonians have finally put a dance over that has been better attended than any previous dance in years.

Three hundred thirty-eight tickets were sold to school and out-of-school students, and 54 alumni attended the Kick-Off. We don't know exactly whether this large number is due to the increased enrollment this year or to the rising school spirit, but the going is great and let's keep it up.

Don't forget to buy your tickets to the next dance before the sale expires because, as many of you know, your ticket name must correspond to your own name or you will not be admitted to the dance as a consequence.

Not only three cheers to those who attended the dance, but also to the entertainment committee who donated all their time and hard work to decorate the auditorium so suitably to the theme.

The "Kickoff" rally October 19 was held in the gym. Five yell leaders performed in a peppy manner and the sixth period gym girls spelled out Jefferson in purple and gold cards.

S/Sgt. Freeman is a veteran of 25 months of service in the Army Air Forces. He served in Italy, Germany, Hungary, Rumania, France, and Austria as a gunner.

The AAF has awarded him the Air Medal with two oak leaf clusters.

Brigadier General Arthur E. Easterbrook, commanding general of the SAAAB, declared:

"The fact that a man has served honorably with the AAF marks him among the cream of the crop. We think many of tomorrow's leaders will spring from the outstanding young men who have made up the victorious Army Air Forces."

Before entering the service he was with the Sunset Nut Shelling company.

Three splendid motion pictures were recently shown to the sixth, seventh, and eighth graders in connection with their work in social studies.

"Golden Gate City . . . San Francisco," was the picture chosen for the eighth grade in conjunction with their study project, "Living in the San Francisco Bay Area." The features which make San Francisco one of the most interesting cities in the world were shown to the class during the movie tour of this famous metropolis.

"Airliner," a non-technical film, was shown to the pupils of the seventh grade, depicting the transport plane in actual service. This film tied in with the unit now being studied, "Travel by Air." The picture described the work of the department of commerce air traffic control, radio communication service, radio beams, pilots, fighter planes, use of sealed barographs, field clearance, aid condition and service in flight. The class voted this picture one of the most interesting yet seen on the subject.

"Backbone of Progress" was the picture shown to the sixth grade, in which the contribution of steel to modern civilization was illustrated through scenes of famous steel bridges such as the Golden Gate, San Francisco-Oakland, Triborough, Hellgate, George Washington, North Michigan and the Henry Hudson. Examples of speed of construction, compactness and permanence were shown. The safety element of steel was illustrated by scenes of the results of hurricanes and earthquakes.

Marcella D'haene, visiting in Colma, is enrolled in the eighth grade while here. Marcella's home is in Michigan.

* * *

The first graders have this week completed their social studies booklets on the "Home" and its environment. The books were colored, and included word matching games and other features which served as aids to the reading program.

Hallowe'en was the theme of the fifth grade art lesson this week. Masks of owls, pumpkins and black cats were some of the results displayed by members of the class.

Crocker

Last week students of Room 2 were shown two still films entitled "Wool" and "Cotton" in connection with their unit on textiles.

His friends of Room 3 were sorry to learn that Rodney Johnson has transfered to Portland, Oregon.

Last Wednesday students from Room 4 went to the Woodrow Wilson school where chest X-rays were made in the new county Christmas Seal mobile laboratory.

At present Room 4 is generously contributing to the Junior Red Cross fund.

Students in Room 5 are sorry that Marion Schnurman has moved away from Daly City.

* * *

Woodrow Wilson

The X-ray laboratory mobile unit recently visited Woodrow Wilson Elementary school, and more than 200 students had chest X-rays taken. This vital health service was greatly appreciated by the pupils.

A film entitled "The Airlines" was shown recently to the children in Room 4.

The boys and girls of Room 12 spent their art hour making Hallowe'en masks, which they were permitted to take home to use on Hallowe'en evening.

Students of the sixth grade are studying and reporting on the first steamship, and its inventor Robert Fulton.

Room 8 is currently studying the formation of rocks and soil; and one-celled animals form the topic in the health class.

Rents Not Affected By Revocation of WPB Order No. L-41

In response to numerous inquiries that have come to the rent division of the San Francisco District Office of Price Administration because of the lifting of controls on building materials by the War Production Board, Henry A. Cross, district rent executive, explained today that rent controls were still effective on all federal housing projects, whether built by private contractors or by the National Housing Authority.

"Revocation of the War Production Board's construction order L-41 will not affect rents in rent controlled areas for housing built with priorities during the war, or now under construction, and having rents that were fixed by the National Housing Agency," Cross said.

How to master the art of coffee making

There is nothing served at your table that brings as much enjoyment at such a low cost as a cup of good coffee. Yet how many of us devote the same careful attention to the brewing of that coffee as is given to the preparation of other foods? Making a cup of good coffee is really an art, but a simple art in which anyone can become adept. There are about five rules that have become second nature to me in brewing coffee at home. Perhaps it's their very simplicity that spells success . . . what would you say?

1. First and foremost, I select the proper grind for the type of coffee maker I expect to use in brewing the coffee. This, of course, eliminates my having to have vacuum-packed coffee reground. It has been my experience that having already-ground coffee put through the grinder a second time too often results in loss of flavor and aroma of the coffee. And the brew made from twice-ground coffee is usually cloudy and bitter. (NOTE: Many of you, I know, prefer whole-bean coffee which is ground right at the grocers at the time of purchase. A delicious brew can be obtained by this method if you remember that just *one* grinding is sufficient.)

2. I MEASURE both coffee and freshly boiling water accurately. I know it is important to use the same exact proportions every time coffee is made to be sure it will always taste the same. A good rule of thumb for coffee that is rich in flavor, as well as strength, is one heaping tablespoon (or two level tablespoons) of coffee to each 6-oz. cup, or ¾ standard measuring cup, of freshly boiling water. However, personal taste does vary and, in the final analysis, you have to determine the strength you prefer and always use the same proportions.

3. I TIME my coffee-making carefully. The coffee should be in contact with the water for a definite length of time, depending on the type and capacity of your coffee-maker, as well as the strength of beverage desired. After the correct timing has been determined *I stick to it;* because I know that otherwise results will not be uniform.

4. I make it a point to SERVE coffee SOON after it is made. Because cool coffee cannot be reheated without injuring its flavor. (Besides, coffee that is overheated, or boiled, loses its aromatic substances.)

5. I CLEAN the coffee-maker daily. Coffee oils have a tendency to cling to the inner surfaces of utensils and eventually impart an undesirable flavor to the coffee brew.

And that's all there is to it. Over a period of time I have developed my own "trade secrets". I have found, for instance, that it is best to purchase coffee in an amount that can be used within a week. Because once the coffee is ground exposure to the air causes it to begin to lose freshness.

As for cleaning, besides the soapy washing each day and the scalding with hot water, I keep the coffee pot "sweet" by a more thorough cleansing at least twice a month. A baking soda bath is my method. Too, when the coffee-maker is put in the cupboard between meals, I leave the cover off. This gives it a good chance to air.

The fourth annual fall training conference for local, county, affiliated and subject group association leaders of the California Teachers association, bay section, sponsored by the organization's public relations committee, of which Clive M. Interesting presentations were made by C. T. A. State Executive Secretary Roy W. Cloud, Mrs. J. J. Garland, representative of the California Congress of Parents and Teachers, and Mrs. Louise Beyer Gridley, national education association state director.

Rudolph C. Ferguson was chairman of the county teacher association meeting, Sylvester M. Kelly, of the city teacher association group, and Miss Jessie Boyd, the affiliated and subject group discussion.

W. Harold Kingsley, field representative of the C. T. A., addressed the conference on several phases of public relations. He stressed the importance of a wholehearted cooperation between the school authorities and the parents and pupils.

Drying Seersucker

Seersuckers need no ironing, except along the seams, but they're supposed to be dried to shape, and that means hanger-drying: Put garment on ordinary coat hanger (be sure it's rustproof or else wrap in clean white cloth); anchor hanger to line with clothespin on each side of hook; then gently shape sleeves and waist and straighten hem.

Use a minimum of water for shoes that take soap and water cleaning. Remember to wipe them with a damp cloth instead of dunking in a basin. Keep your drying shoes away from heat and sunlight, as both tend to harden and crack shoes.

Magic Lunch Box Cookies are Made With Sweetened Condensed Milk

YOU can satisfy the children's craving for sweets in their school lunches if you give them crunchy home made cookies and fruit. You won't have to dip into your sugar supply at all if you make the cookies with sweetened condensed milk. This mixture of whole milk and sugar needs no additional sweetening when made into desserts. Cookies made with sweetened condensed milk don't call for eggs, shortening, or flour either. They're sure to be crisp and delicious, for the recipes are magically failure-proof.

You can whip up a batch of cookies in the early morning, if the day's lunch box menu seems uninviting, for they can be mixed in jig time, and baked 15 minutes while the children are breakfasting. Just combine sweetened condensed milk and peanut butter and then add one other ingredient—cornflakes or bran flakes, chopped nuts, chopped dates or raisins.

If you make the cookies beforehand, cool them on racks and then pack in metal box or stoneware jar, or covered bowl, using crumpled waxed paper to assure air passage under and between them.

Magic Five Way Cookies

Mix 1⅓ cups (15 oz. can) sweetened condensed milk and ⅓ cup peanut butter. Add any one of the following: 2 cups raisins, 2 cups corn flakes, 2 cups bran flakes, 1 cup chopped nut meats or 2 cups chopped dates. Drop by spoonfuls on greased baking sheet and bake in moderate oven (375°F.) 12 to 15 minutes, or until done.

Magic Hot Chocolate

2 squares (2 oz.) unsweetened chocolate
1⅓ cups (15 oz. can) sweetened condensed milk
8 cups boiling water
Few grains salt

Melt chocolate in top of double boiler. Add sweetened condensed milk and boiling water gradually. Add a few grains of salt. Serves 9.

Kills Grub

Heel fly larvae, commonly called "warbles" or "wolves," may be controlled by injecting about 20 drops of commercial benzol into each hole made by them in the cow's hide. The benzol kills the grub. A small oil can has been found suitable for injecting the liquid into the holes. Benzol is highly inflammable and should not be exposed to fire of any kind.

We proudly invite you to come in and see the New 1946 FORD Cars now at our showrooms

Local Library To Observe Book Week For Children Nov. 11

"United Through Books" is the theme chosen for Children's Book Week for 1945, according to Mrs. Jean O'Rourk, librarian at the Daly City Public library, 6351 Mission street.

Mrs. O'Rourk announced today that the local library will observe book week from November 11 through 17 inclusive.

The Daly City library is justifiably proud of its attractive children's reading room with its large selection of juvenile literature.

Much time and energy has been spent in the selection of books for this year's exhibit.

Sgt. George Young Is Discharged From Army Service

Master Sgt. George R. Young, 416 Templeton avenue, was honorably discharged from the army on October 22, under the point system, at the AAF Separation Base, San Bernardino Army Air Field, California.

Young, who spent five months in the European War theatre as an armament inspector, joined the army in October 1940. He was awarded the American Defense Service Medal, American Campaign Medal, EAME Campaign Medal, and the Good Conduct Medal while in the service.

His wife, Mrs. Margie Ellen Young, and his parents, Mr. and Mrs. Howard Young welcomed him home.

Cub Den Six Hallowe'en Party

At the regular Friday meeting October 26, of Cub Den 6, under the supervision of Mrs. Inez Severeitti, leader, progress charts were displayed and studied with interest.

Following the meeting, a Hallowe'en party was enjoyed. Decorations and refreshments were in the traditional fashion.

Special guest on this occasion was Mrs. Roy Bjerke.

GEN. PERSHING PTA EXECUTIVE BOARD MET OCTOBER 24

The regular executive board meeting for the General Pershing school PTA was held on October 24 in the home of the president, Mrs. Elizabeth Buckering. Final plans were made at that time for the annual Hallowe'en party for the school children on October 31.

Members of the executive board formed the committee for this party to which the children look forward eagerly each year.

County Blood Bank Asks For More Daly City Donors

Daly City residents are today asked to help perpetuate the work of the San Mateo County Blood Bank at 25 South El Camino Real in San Mateo by becoming blood donors there.

In spite of the cessation of warfare, calls for blood and plasma continue to come to the county blood bank, it was disclosed today. In order to keep pace with the demands, the blood bank again calls upon Daly City residents, through the Record, to become blood donors.

Mrs. P. J. Hanzlik of the blood bank staff said, "Our method of taking blood from donors is absolutely painless and takes but a few minutes of time. Donors may telephone San Mateo 3-1424 and make appointments at their own convenience."

Five well known residents of Daly City are members of the Gallon club, the organization of the county blood bank which permits membership after a donor has given eight or more pints. They are Mrs. Nell Dorrance, Mrs. Elmer Hanley, Mrs. Florence Hopman, A. L. Sundstrom and Mrs. Irene Williams.

Superior Judge McNutt Still Ill

Superior Judge Maxwell McNutt, department 1, San Mateo County Superior Court, is still confined to his bed in Mills Memorial hospital with a bronchial ailment. Court Clerk Robert Duffy reported that Judge McNutt is expected to return to his home in a few days.

Judge A. R. Cotton, department 2, is sitting on the Santa Cruz County bench in several cases in which Judge James L. Atteridge his disqualified himself.

Judge Atteridge is handling both departments for San Mateo county until Judges McNutt and Cotton return.

INSURE *your future*—
Save WITH WAR BONDS

The military victory has been won, but there i another victory still to be won—a victory for hu manity.

Millions of our armed forces are still overseas many more are at bases within the country. Man of them will be still in service for months, eve years. Thousands are in hospitals, at home an overseas, maimed, broken, blinded, because the helped to win that military victory. For all of thes the victory that must now be won is the victor over boredom and neglect. The morale buildin services of U.S.O. made possible by the War Ches must be continued!

Thousands of seamen are still delivering supplie and personnel overseas. For them the victory tha must now be won is the victory over boredom neglect, family difficulties, and the evils of wa torn ports in the far corners of the world. A Wa Chest agency looks after their welfare.

Hallowe'en Party Given Oct. 24 For Girl Scouts, Brownies

Members of Brownie Troop 7 and Girl Scout Troop 14 held a Hallowe'en party in Firehouse No. 4 on Peoria street, October 24.

Approximately 40 girls were present, with their leaders, and all were dressed in colorful costumes. Amusing games were played and delicious refreshments served. The committee in charge decorated the meeting place beautifully in the Hallowe'en motif for the occasion.

Reading in the Dark

Theater programs that may be read in the dark are a possibility in postwar days; either the paper or the ink will contain phosphorescent pigments.

Senior Girl Scouts Hold Barn Dance

A barn dance, the first of their season, was enjoyed by members and friends of Senior Girl Scout Troop No. 6, Saturday night October 27, in Theta Avenue Brownie House.

Sponsors for the delightful evening were Kay McAdams and Chief Bosun's Mate G. D. Miller.

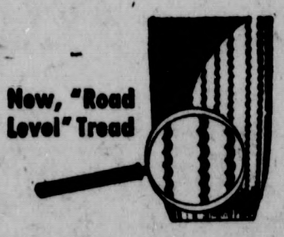
NEW B. F. Goodrich PASSENGER TIRE

OUTWEARS PREWAR TIRES!

New Passenger Car Tire with Safer-driving, Longer-mileage features

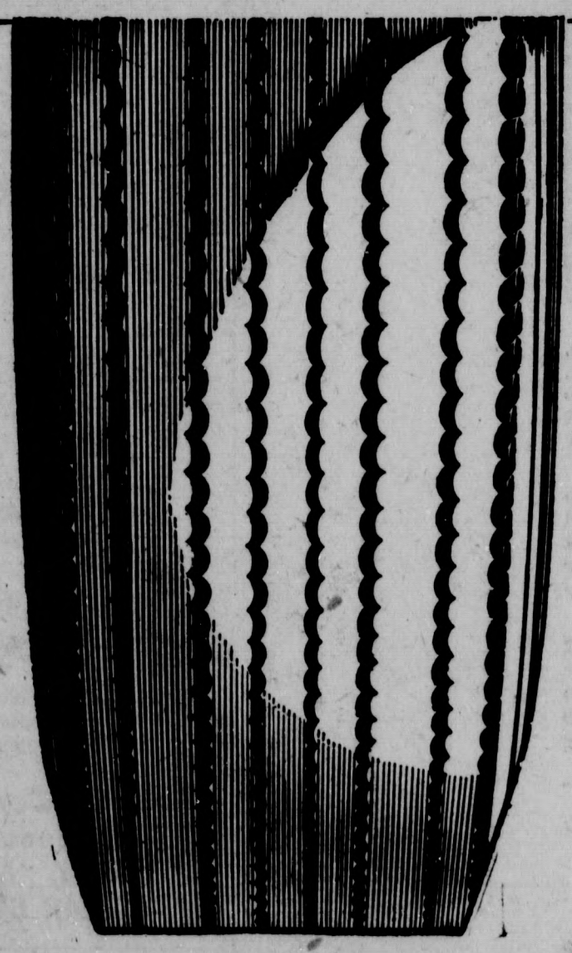
New, better Synthetic Rubber

Developed by B.F.Goodrich—it's far better than ordinary synthetic rubber. Helps the new tire run cooler, wear better. It resists cracking, bruising and damage from accidents better too.



New, "Road Level" Tread

35% stronger tire body makes possible tread with a flatter contour—its whole width touches the road. More rubber on the road to share the wear—*evenly*. The tread design has hundreds of skid-resisting curves to grip—and stop quickly!



16,800,000 Test Miles

Has more test background than *any previous* B. F. Goodrich tire. Extensive laboratory tests *plus* 16,800,000 miles of actual road tests—on taxi fleets, police cars, and the B.F.Goodrich test fleet—*proved* it outwears prewar, natural rubber tires!

3 years' EXTRA synthetic tire experience

Three full years before *any other manufacturer*, B. F. Goodrich sold tires made with synthetic rubber to American motorists. This extra store of experience shows up in extra mileage . . . extra safety . . . extra value.

Pfc. Louis Gemma Discharged From Army Service

Fort George Wright, Washington, October 18, 1945—Pfc. Louis P. Gemma has been given an honorable discharge from the Army after 44 months of service that included a 17½ month tour of duty in the Asiatic-Pacific theatre.

He served as Signal Corps lineman with the 5th Air Force.

Pvt. Gemma wears the Asiatic-Pacific ribbon with one star, and the Philippine Liberation ribbon with one star.

Pvt. Gemma is the son of Mr. and Mrs. Steffeno Gemma of Napa, California.

His wife is the former Tulia Ferraris of 262 Miriam street, Daly City, where they plan to make their home upon his separation from the army.

Telephone Rates To Honolulu and Alaska Are Reduced November 1

From all points throughout the Pacific Coast, telephone rates to Honolulu and Alaska will be reduced, effective November 1, 1945, it was announced by N. R. Powley, president of the Pacific Telephone and Telegraph company. Typical examples of these rate reductions for a three minute conversation are quoted below:

San Francisco to Honolulu: new rates, week day, $7.50; Sunday, $6.

San Francisco to Juneau, Alaska: new rates, week day $6; Sunday, $4.50.

Recognizing as we do, said Powley, the increasing industrial and commercial relationship between the Pacific Coast and the Hawaiian Islands and the tie-in between the Pacific Coast and the great Alaska country, these new rates should promote a greater volume of traffic which will reflect the growing community of interest to the benefit of users both on the Coast and in Honolulu and in Alaska. We seek at all times to be of the greatest possible service in the upbuilding of the trade relationships throughout the Coast and the Western and Northern frontiers as we have over the years to our Eastern shores.

Sorry! But Errors Will Happen - - -

Almost as important as the groom himself and absolutely necessary in the performance of a wedding ceremony is the best man. Due to an oversight in last week's Record in the Melicker-Ryan wedding write-up this very important personage was omitted. We are herewith correcting this grave error by stating that Bard Miller 1/c Petty Officer now stationed at Treasure Island, and a buddy of the groom, performed best man duties.
